

KCBF&BC Tournament Rules

Member Fishing Tournament Rules and Regulations

1. Any Club Member may weigh their fish and be eligible for a nameplate on the “Plaque Wall” for largest percentage of a fish weighed.
2. Any Paid Fish Tournament Member may enter our monthly tournaments that run November through April.
3. Fish must be hooked and fought by the registered angler using conventional tackle (i.e. - no electric reels) and once the leader line is within reach the fish may be gaffed or netted by a mate.
4. Fish entered can only be caught in local waters. That would be roughly a 25-mile radius from the official weigh in station Captain Hooks. Marathon Hump is included in this radius.
5. Fish must be weighed in at Captain Hooks. A weigh in sheet is located at Captain Hooks where an employee will weigh and take a photo of the fish and member entering the fish. The winning fish of each specie (listed below) will be determined by the heaviest weight of the fish for that species in the Clubs’ monthly tournaments and either by heaviest weight or by calculation of the highest percentage of a fish weighed compared to the Florida state record for that species for monthly Sponsored Tournaments and end of year angler awards. The winning fish must comply with tournament rules and meet all local and federal regulations. Sponsored bonus tournaments winning fish will vary according to the rules of each event.

Yellowtail	Inshore
Mangrove Snapper	Inshore
Mutton Snapper	Inshore
Cero Mackerel	Inshore
Spanish Mackerel	Inshore
King Mackerel	Either Inshore or Offshore
Blackfin Tuna	Off Shore
Wahoo	Off Shore
Mahi Mahi (Dolphin)	Off Shore
Grouper	Inshore

Cobia
Amberjack

Inshore
Off Shore

6. Monthly Club Tournaments: The heaviest fish in each category will be awarded a cash prize determined by the amount of entries and fish weighed in with average payouts being \$50 per winning fish. Entrants can win no more than 2 categories in any given month.
7. Monthly Sponsored Tournaments: Most tournaments will have 1st and 2nd place winners in two divisions:
 - Champion Division (A fishing tournament angler who has won 1st place overall in a CASH sponsored tournament event.)
 - Tale Chasers Division (A fishing tournament angler who has never won 1st place overall in a CASH sponsored tournament event.)

All new members start in the Tale Chasers Division. After you win one of the CASH ONLY SPONSORED TOURNAMENTS 1ST PLACE OVERALL, you will be moved into the Champions Division.

Winnings will be awarded during Club meetings. *Winning of a sponsored tournament is not to be confused with the club's monthly species winners.

8. Angler of the Year Award Sponsored by Marathon Garbage Service for 1st Place based on highest percentage of a fish weighed compared to the Florida state record for that species.
9. Casual Angler of the Year Award sponsored by Wholesale Marine will be awarded to a KCBF&B Club member NOT entered in the Fishing Tournament who fishes casually and catches that once in a lifetime fish and weighs and enters it at the Captain Hooks Marina in Marathon.

*Using a paid guide or Charter Captain to land a winning fish will cause the angler to be disqualified and such angler will be disciplined accordingly as defined by club bylaws
