Friday, Nov. 5th
6pm HH

6:30pm Meeting in
Marble Hall

Please remember to wear your
member ID Badge

FROM the HELM I would like to welcome everyone to our 28th season of KCBF&BC!

As we prepare for our new season, we must realize that the challenges from last season are not entirely behind us. Our first meeting will be in Marble Hall and masks are optional. 3 feet of social distancing is recommended. I will be announcing more news at the meeting.

Joey and Karen Raspe will be behind the bar happily offering wine, beer and spirits starting at 6pm. Please thank them for all their hard work and do not forget to leave a generous donation in the tip jar. All funds go to restocking the bar. We will start serving food at our December meeting and we are looking for volunteers to provide dinners going forward. See Director at Large Danny Grimm to volunteer and discuss your menu.

The pandemic has caused a huge shortage of blood as donors were fearful of donating. We can help by donating this Wednesday 11/10 from 9:30 - 2:30. It's easy to make an appointment at **oneblood.org**. Look for the Big Red Bus in the City Hall parking lot.

Tight lines, Commodore Joe Schmidt

TOURNAMENT NEWS Welcome back to another great fishing year. We have some great tournaments coming up with some new sponsors and special tournaments. Please welcome back our major sponsor Marathon Garbage Service along with Franks Grill, Queen Conch Construction, Sanibel Glass & Mirror, Keys Rentals by Owners, Gluntz Havana Jacks, Key Colony Inn, Centennial Bank and Florida Keys Air Conditioning. Also, we have added another major sponsor Capt. Pipp's Boat Rentals. We will begin our November tournament with Franks Grills Mangrove Challenge. The heaviest fish will win the Champions Division 1st place and 2nd. There will be 2 added winners in the Tale chasers division. (Tale Chasers are those anglers that have never won a tournament). Besides the Angler of the Year MGS award we have added a Women's Angler \$300 award sponsored by Capt. Pipp's. Remember we will be fishing for our monthly fish and you can win only 2 weigh ins. Sign up now and support your Club.

John Fruhmorgen

KCB FISHING UNIVERSITY & RAFT UPS

Capt. Ron is back from summer travels in Colorado, North Dakota, Wisconsin, San Juan P.R. and just recently Andros Island, Bahamas. Lots of fishing back there but now it is good to be back in the islands. Let's talk about our Sunset-Moon Rise raft up celebrations.

Here is the schedule for November: 2021-11-19 17:34 EST Sunset, 2021-11-19, 17:54 EST Moonrise. As usual I will advise on if we are a go/no go based on the weather. If possible, we may move up or back one day if marine weather allows us to be on the water. Perhaps we could have a prize for the largest fish caught while on the raft-up.

KCB Fishing University returns again this year with various seminars and building projects. We will repeat the pinfish trap build, perhaps do a project on building a wire pinfish/pilchard storage pen. How to build your own blackfin tuna lures. How to repair a broken line guide on your fishing rod. How to yellowtail. How to fish for sailfish. I hope to bring a few speakers to educate and entertain us. Maybe a boat to lunch cruise or a group trip to East Cape Sable. It is all fun. Standby for updates.

Professor & Capt. Ron Teke

DATE: _____ SIGNATURE: _____

KCB residents are given priority in club membership. Each year in January the club's executive board brings in new members based on how many people have left or not renewed. Each year this number is different. Presently there is an approximate **wait of 0-2 years for KCB and 6-7 years for non-KCB**. NOTE: All new members are required to volunteer to work for the Club at one of the Club events for a minimum of 2 hours the first year upon becoming a member and then a minimum of 2 hours every two years thereafter.

Please print legibly or we have no way of contacting you.
